

Michał Mroczkowski

Web designer

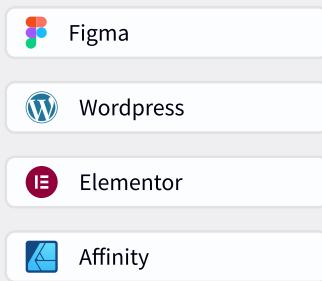

About me

Creative Web Designer with 3 years of experience in designing and redesigning business websites. Skilled in HTML, CSS, and WordPress (Elementor), with proficiency in the Affinity suite for cohesive visual design. Focused on user experience and delivering tailored solutions that align with each client's goals and brand identity.

My main tools

Work Experience

Dec 2024 – now

Web designer - trabsky.com

As a Web Designer, I specialize in creating and developing dynamic websites with a strong focus on WordPress. I've designed and built sites for companies such as [globalai.life](#), and [ggg.com](#), combining functionality with clean, modern aesthetics. I approach each project with passion and a clear vision—to elevate brands and help position them at the forefront of the Polish web design industry.

Jan 2024 – Nov 2024

It specialist - Ziemia Mobi usługi informatyczne

As an IT Specialist, I focused primarily on designing and developing responsive, user-friendly websites tailored to client needs. My role involved front-end and back-end development, ensuring seamless functionality and modern design. In addition to web projects, I also created visually engaging posters, combining technical skills with a strong eye for aesthetics to support marketing and branding efforts.

Language

Polish - Native	<div style="width: 100%; background-color: #0070C0;"></div>
